Dear Amanda,

I am delighted to advise you that you have been chosen to be a recipient of a STEP Founder's Award for Outstanding Achievement.

The Founder's Awards are presented for voluntary service in STEP above and beyond reasonable expectations. The award thus recognises the contribution of people like you; the volunteers who really make STEP work.

In practical terms, a Founder's Award is presented by the recipient's region or branch and your nominators and/or branch will be in touch so you can discuss how you would like the presentation to happen. Your badge and certificate will be sent on to them. The STEP communications team, who manage the journal and a range of other STEP media, will also be in touch to discuss profile opportunities over the next STEP year.

The nomination and award are a very much a token of the respect in which you are held by your fellow professionals within the Society. Please also accept my personal thanks you for all you have done and continue to do for STEP.

Yours sincerely,

Mark Walley
Chief Executive
